### ABOUT ME

I'm Hanumantu Nikhil, a passionate B.Tech CSE student at SRM University AP, with a strong interest in software development, machine learning, and technology-driven innovation. I have hands-on experience in web development (HTML, CSS, JavaScript, Bootstrap) and programming with Python & C. Continuously expanding my skill set through learning AI/ML and working on new projects, I'm open to internships, freelance opportunities, and meaningful collaborations, eager to grow in software engineering, web development, and AI/ML applications.
